Question: 1

SIMULATION

Create a new Project Site that uses the following elements:

- Title: Ad
- Description: New Campaign
- URL name: Ad

(Note: Accept all other default settings.).

The screenshot shows a web browser window displaying a SharePoint site. The address bar shows the URL: http://121.241.115.121/_layouts/15/start.aspx#/SitePages/Horizontal.aspx. The browser tab is titled "Customer Support - Home". The SharePoint navigation bar is visible, showing the "SharePoint" logo and the user "System Account". The main content area displays the "Customer Support" site name and the "Site Settings" page for "Sites and Workspaces". The page includes a "Create" button and a table with columns for "Sites", "Description", "Last Modified", and "Delete". The table content is as follows:

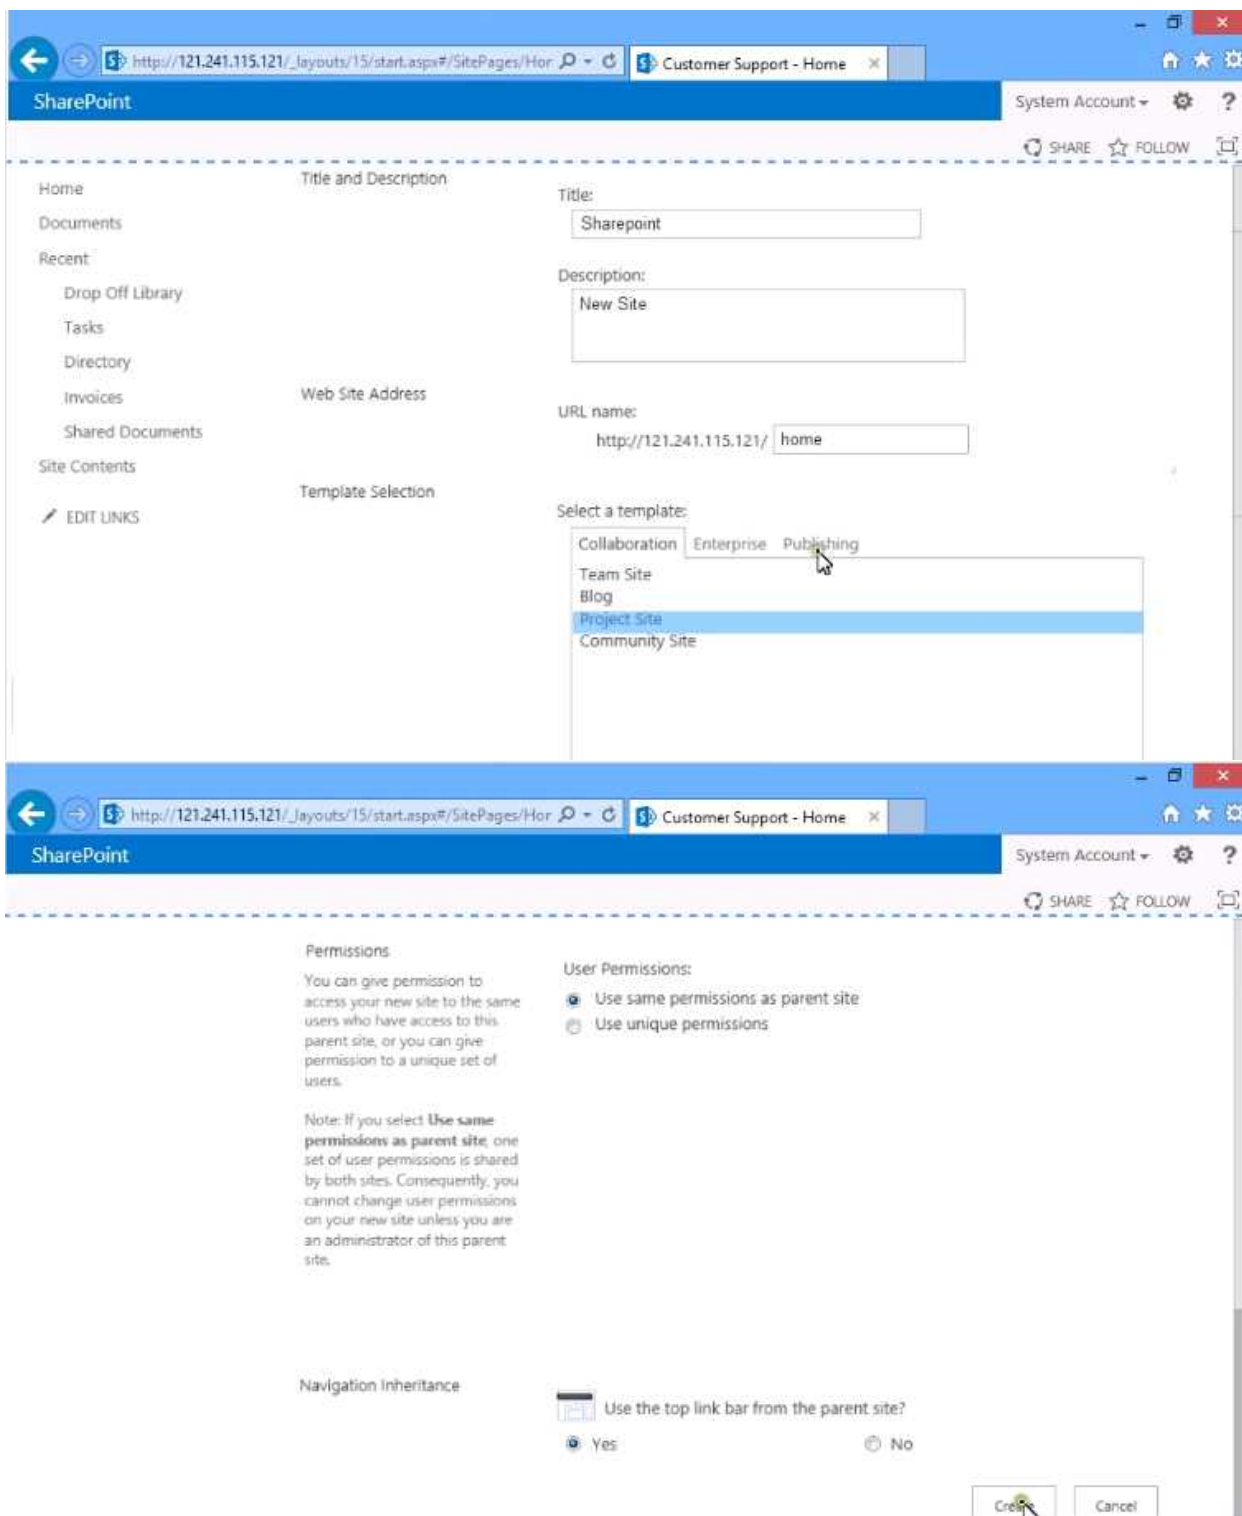

Sites	Description	Last Modified	Delete
There are no Sites. To create one, click Create above.			
Document Workspaces	There are no Document Workspaces. To create one, click Create above.		
Meeting Workspaces	There are no Meeting Workspaces. To create one, click Create above.		

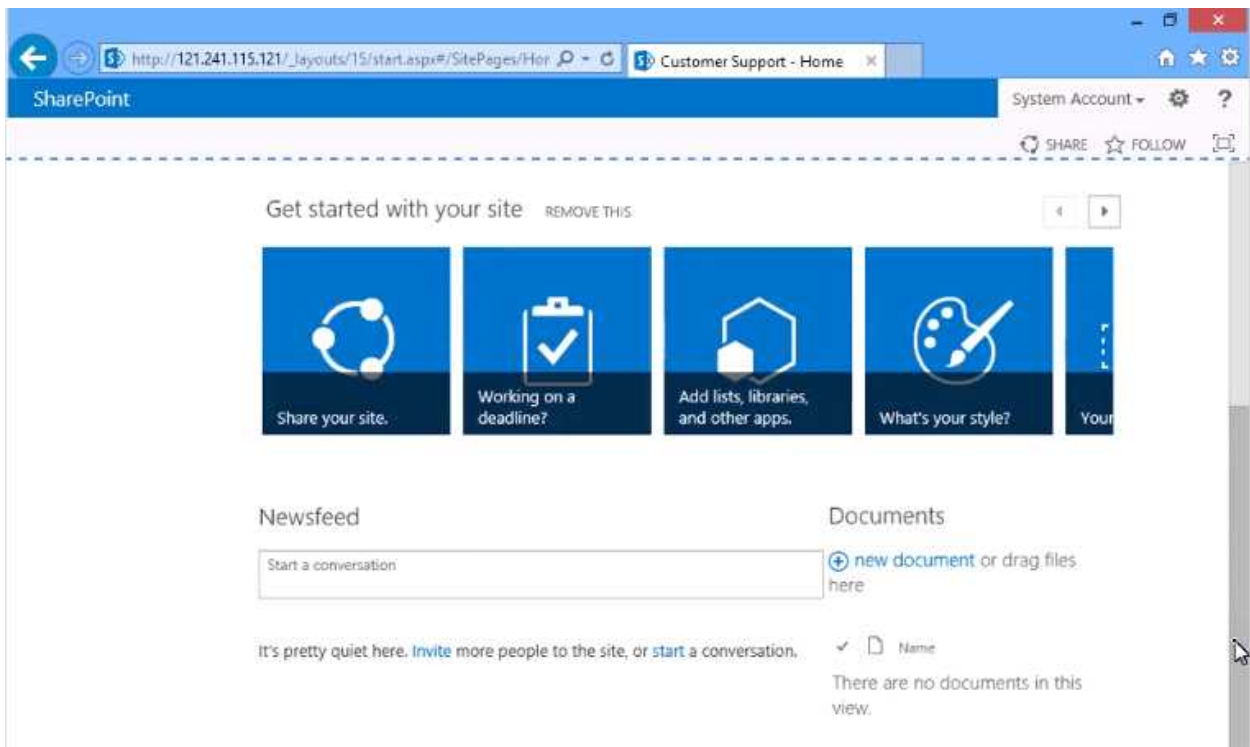

A "Hide White Space" button is located at the bottom right of the table area. The left sidebar shows navigation options: Home, Documents, Recent, Drop Off Library, Tasks, Directory, Invoices, Shared Documents, and Site Contents.

The screenshot shows the SharePoint 'Site Settings' page for 'Customer Support - Home'. The page title is 'Site Settings > Sites and Workspaces'. On the left, there is a navigation menu with 'Home' selected, and other options like 'Documents', 'Recent', 'Drop Off Library', 'Tasks', 'Directory', 'Invoices', 'Shared Documents', and 'Site Contents'. Below the menu is an 'EDIT LINKS' button. The main content area has a 'Create' button and a table with columns 'Sites', 'Description', 'Last Modified', and 'Delete'. The table contains three rows: 'Sites' (no sites), 'Document Workspaces' (no workspaces), and 'Meeting Workspaces' (no workspaces). A 'Hide White Space' button is located at the bottom right of the table area.

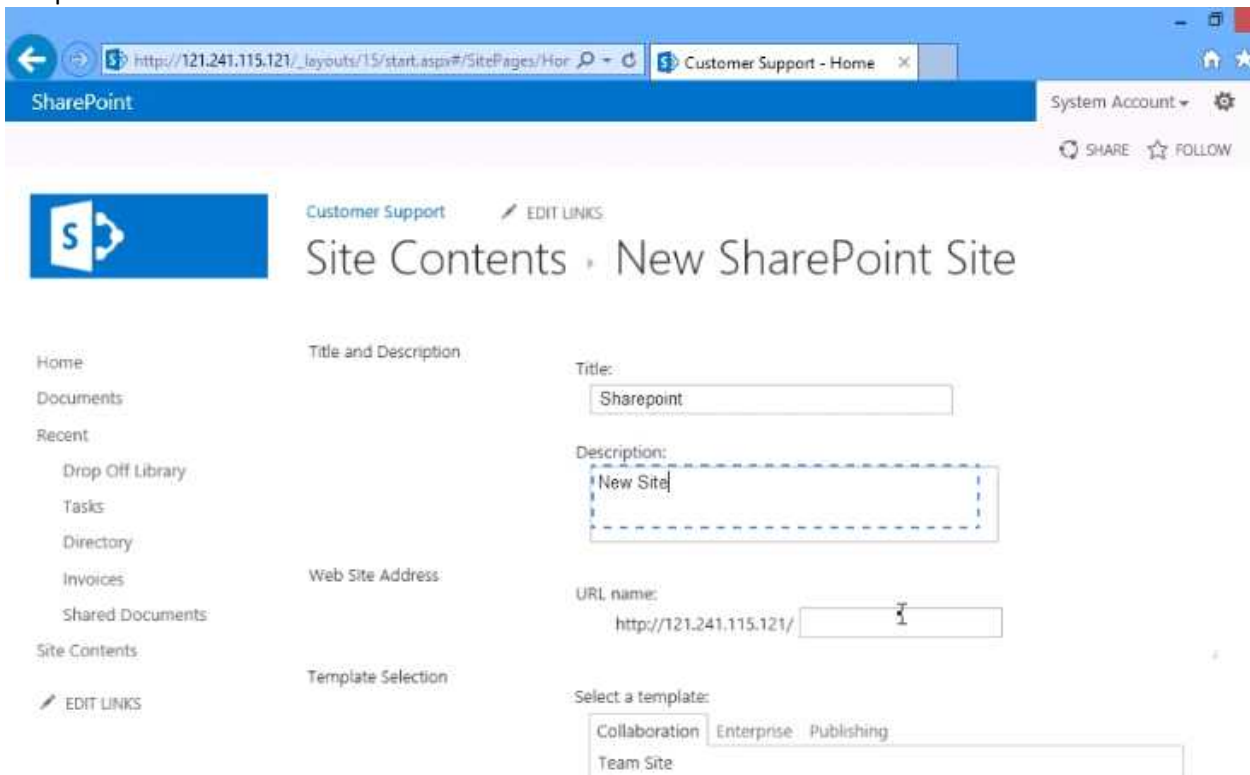

A. Option

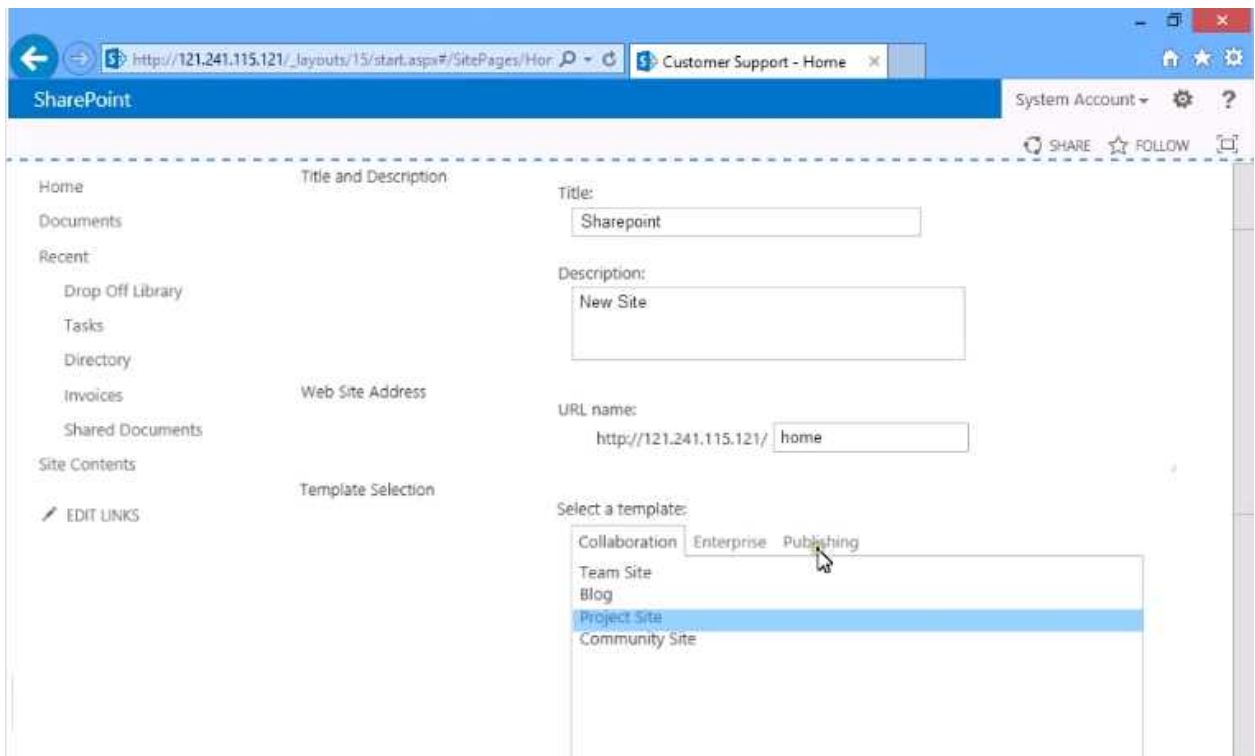

The screenshot shows the 'New SharePoint Site' page in the 'Customer Support' site. The page title is 'Site Contents > New SharePoint Site'. On the left, there is a navigation menu with 'Home' selected, and other options like 'Documents', 'Recent', 'Drop Off Library', 'Tasks', 'Directory', 'Invoices', 'Shared Documents', and 'Site Contents'. Below the menu is an 'EDIT LINKS' button. The main content area is titled 'Title and Description' and contains several form fields: 'Title' (filled with 'Sharepoint'), 'Description' (filled with 'New Site'), 'Web Site Address' (URL name field filled with '1'), and 'Template Selection' (with 'Collaboration Team Site' selected). The 'URL name' field is pre-filled with 'http://121.241.115.121/'.
