**HOTSPOT**

An integrator has installed a new Synergy frame into a rack with two existing Synergy frames in a customer's environment.

Click where the integrator should verify that the cabling for the management ring was completed correctly.

The screenshot shows the HP iLO interface for a Synergy frame with ID 0000A66101. On the left, there are sections for General, Utilization, and Hardware. The 'View' dropdown menu is open, displaying a list of options. The 'Hardware' option is highlighted with a red rectangular box. The main area of the interface shows a 'Rear View' of the frame with various components like Interconnects, Fans, Link Modules, and Power Supplies visible.
